

85 people
A turnover of 10 € Md – 30% in export

► **7 Production and Stocking sites - 7 000 sqm**

► **Know-how :**

- Turning (5 sites)
- Second operation machining and cylindrical grinding
- Tribofinishing
- Polishing for piece for eyeglasses, jewels, leather goods
- Microsandblasting–Shotpeening
- Electro-polishing and passivating
- Heat treatment (Annealing of non-ferrous materials)
- Cam manufacture
- Manufacture of dental drills and implants
- Grinding of bars (< Ø8)
- Honing (flat surfaces and bores)

► **Equipment :**

- 40 completely automatic profiling lathes with comes (Ø0.3 to 10mm)
BECHLER - ESCOMATIC - PETERMAN - TORNOS
- 150 digital control lathes (Ø1 to 42 mm)
BOLEY – CITIZEN – MIYANO – STAR - TORNOS - ESCOMATIC
- 5 cylindrical grinding machines AGATHON - MICROREX - TSCHUDIN
- 4 sandblasting machines
- 8 polishing machines Polyservice (tribofinishing)
- 1 polishing machine BULA + polishing lathes + lapidary
- 1 cam milling machine VNSA
- 1 electro-polishing and passivating machine
- 1 honing machine for flat surfaces (LAMPLAN)
- 1 honing machine for bores (PEMAMO)
- Inspection : standard and optical measuring machine

► **Certifications :** ISO 9001 - ISO 13485 - ISO 14001- OHSAS 18001
EN 9100

► **Specialities :** Dental drills and implants - Ground potentiometer shafts
Dental tenons and pivots in composite, titanium & stainless steel...

► **Materials :** all material

► **Series sizes :** pre-, small, medium and big series

► **Markets :**

All industry :connectics, electronics, medical, aeronautics, space, telephony, timepiece making, eyeglass, electromechanical engineering, tooling, jewels, small household appliances, leather goods...

2018

► **UND continues its development and invests in lathes :**

- 1 TORNOS DECO 13A
- 1 TORNOS DECO 10
- 1 CITIZEN R04
- 1 CITIZEN B12VI

POLISHING :

After the acquisition of the premises and equipments of the previous firm CUENOT Polissage, the whole activity will be relocated on the site #6.

UND will be able to offer an enlarged panel of its know-how.

UND will be present on MICRONORA exhibition, BESANCON, 25-28 sept. 2018

**Values :Competence – Dynamism - Reactivity – Flexibility – Availability
Technicality – Service Quality -Diversity – Security – Industrial Capacity**
